STOCK SCALES!

MANUFACTURED BY

C. S. BELL, HILLSBORO, OHIO. I am Prepared to furnish and set up on short notice, Scales of any desired capacity, and warrant them to give satisfaction. These Scales

have been in use in this and several other States for the last 18 years.

and wherever introduced they are considered the Standard, and mest

The levers are made of Iron, the pivots and bearings of the best Cast Steel, carefully tempered; the beam is of Brass, finely finished.

These Scales weigh from a half pound to any desired amount correctly, and are so nicely fitted up and so carefully adjusted that the beam is turned by a single ounce. They are simple and substantial in construction, and are not liable to get out of order.

Prices Reduced. Call and get prices at this season of the year are at a loss to Marietta and Cincinnati Railroad. before making contracts elsewhere.
